ORDER

This matter is before the court on its own motion. The court has approved several partial settlements and distributions. On completion of the most recent distribution, co-lead counsel submitted an accounting to the court. The court has reviewed that accounting and it appears satisfactory. There has been no further action on this case.

For case management purposes, co-lead counsel shall file a status report stating whether there will be further proceedings in this action, and, if not, shall file a motion for final approval of class action settlement within 14 days of the date of this order.

SO ORDERED.

DATED this 26th day of June, 2014.

BY THE COURT:

United States District Judge
